CENTER BASIC, CENTER INTEGRATED BASIC AND AGENCY SPECIFIC BASIC TRAINING PROGRAMS**

INSTRUCTIONS: **Students must** answer all of the appropriate numbered PEPRs for the program that they are attending. If a student is unsure whether s/he can perform a particular PEPR, s/he must write "I don't know" on the form next to that PEPR. If the student has medical documentation concerning a particular physical condition, s/he must provide it to the FLETC Health Unit. It is the FLETC Health Unit who will decide whether the student can perform the PEPRs. If a student arrives at the FLETC and is determined during the initial health screening that the student requires further medical treatment to determine whether he/she can perform one or more of the PEPRs, all medical costs for such examinations will be borne by the student and/or the employing agency, and not by the FLETC.
